WICHITA CANCER FOUNDATION

Funding Care. Funding Hope.

Our Mission

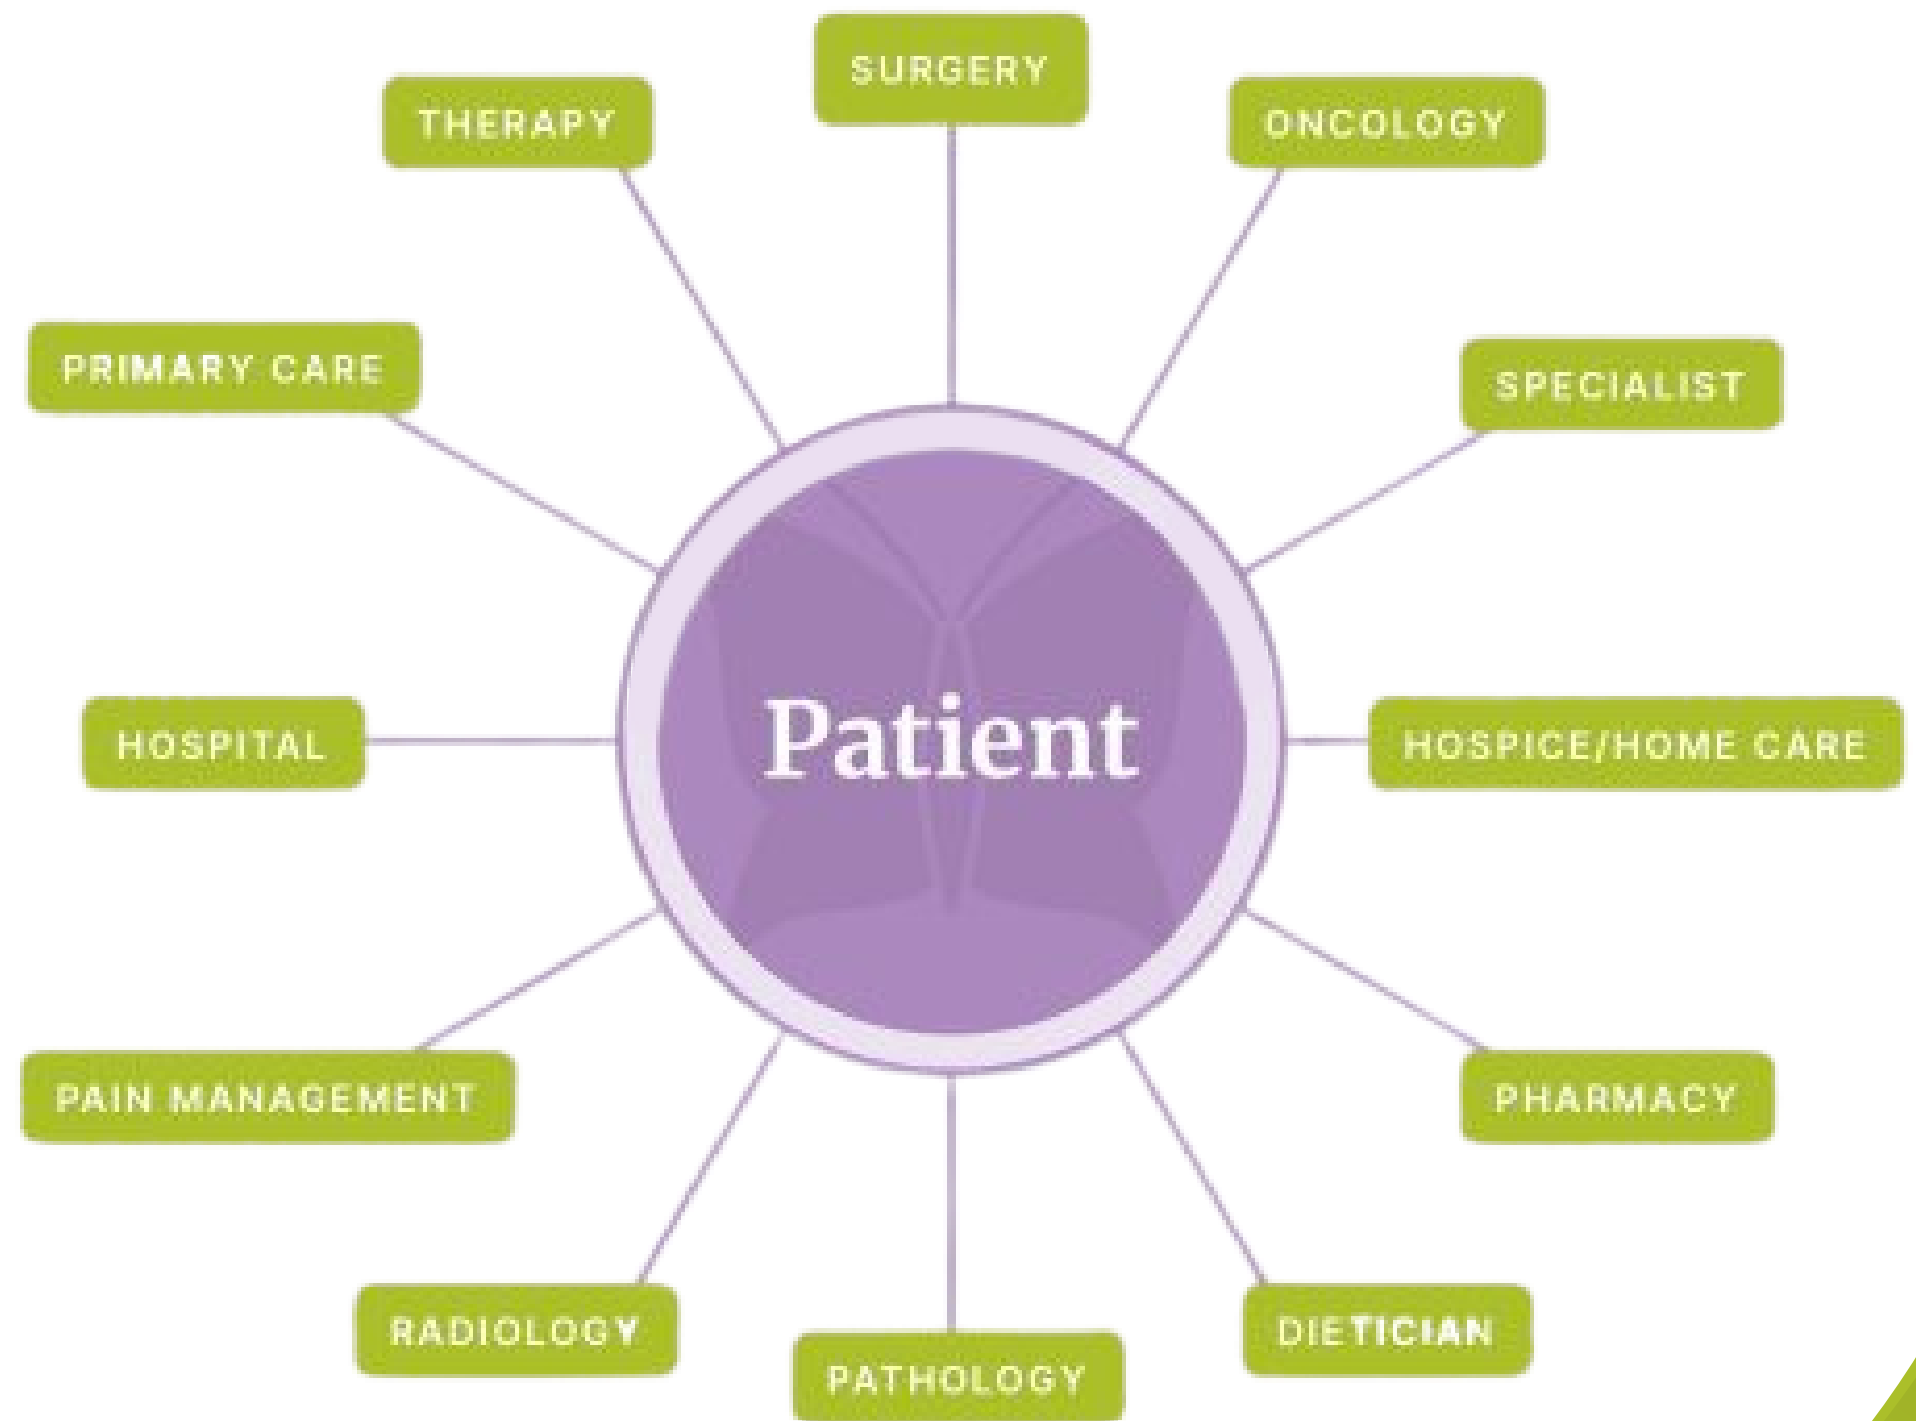

Provide financial assistance to cancer patients in Kansas in the form of insurance premium payments.

Our Vision

Ensure that cancer patients receive the care they need while minimizing their financial stress.

Providing Access to Care

The goal of the Wichita Cancer Foundation is to keep cancer patients in Kansas from having to choose between providing for themselves & their families, and receiving the care they need to fight their battle.

Quick Statistics from 2022

84 KANSANS ASSISTED

Our financial assistance program continues to benefit more and more Kansans battling cancer. In 2022, we assisted 84 individuals and families, a *42% increase* from 2021.

29 COUNTIES REACHED

In 2019, the Board of Directors chose to expand our program to all counties in Kansas. In 2022, we assisted people from 29 different counties (see map below).

\$252,562 IN ASSISTANCE

In 2022, WCF paid over a quarter of a million dollars in monthly insurance premiums. We estimate for every \$1,000 in assistance, recipients gain access to between \$30,000 and \$150,000 in care.

FUNDING CARE. FUNDING HOPE.

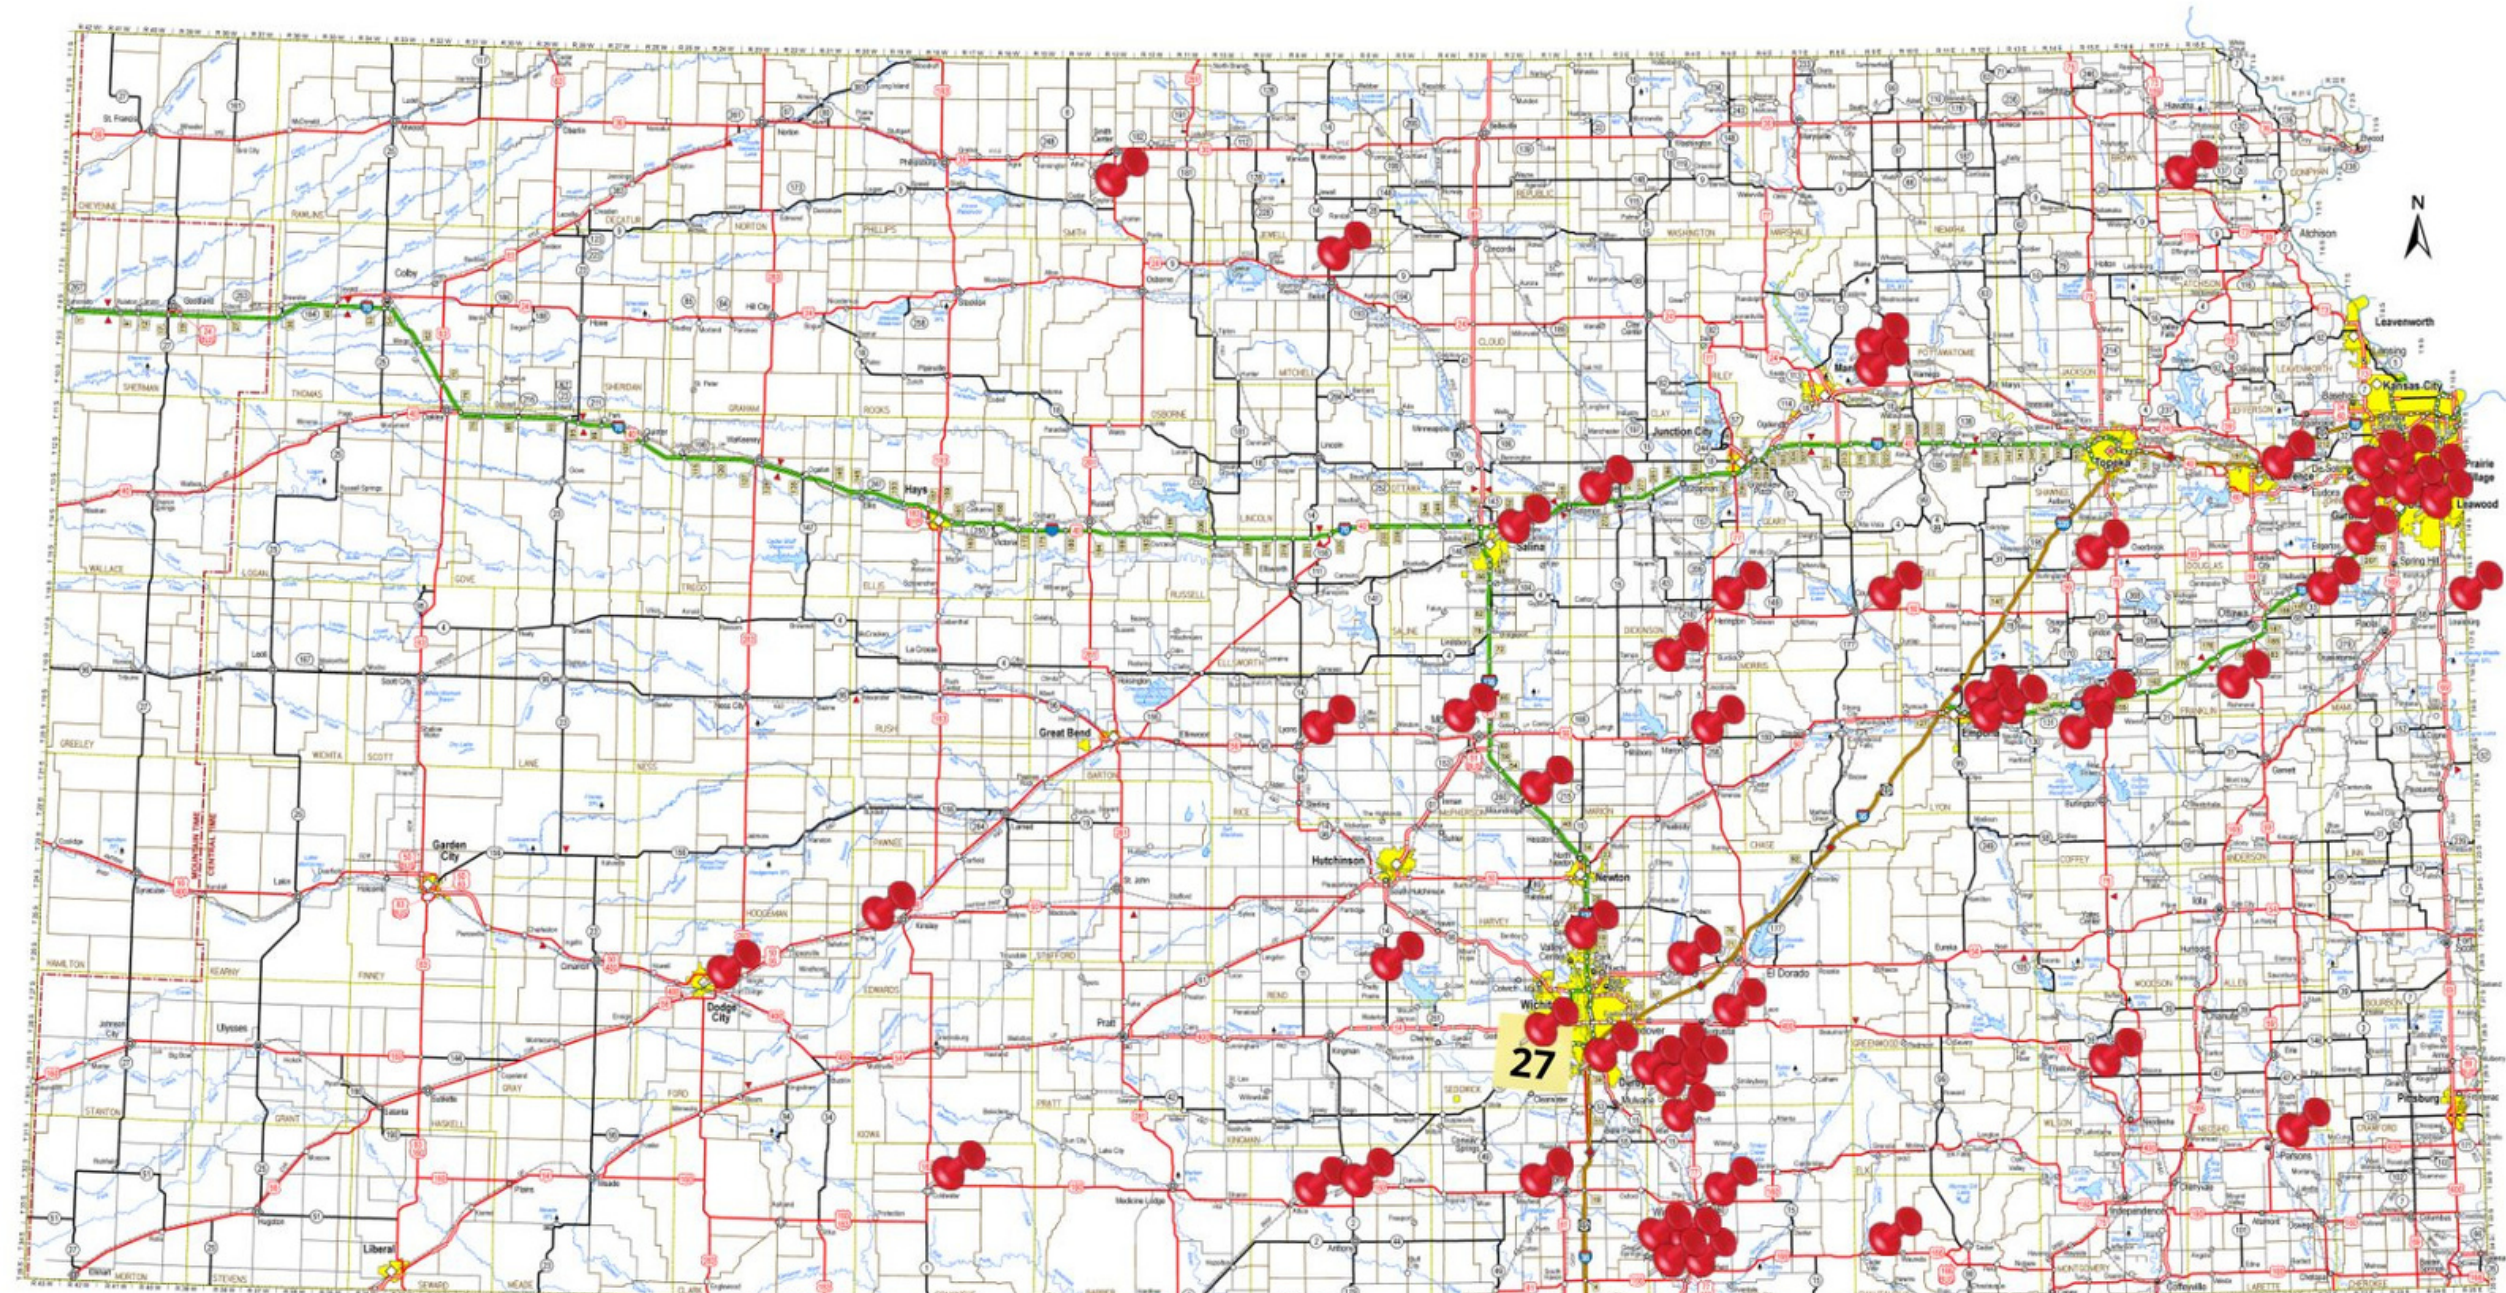

From a survey conducted by WCF staff, 100% of recipients surveyed stated that due to our assistance, they experienced decreased financial *and* emotional stress.
